

Wilderness Adventure Club

Wednesdays 3:00 – 5:00 pm

(3rd - 5th Grade)

Meet by the statue in the front courtyard.

Wilderness Adventure Club has been around for many years. I am thrilled to announce that we are opening the club up to 3rd – 5th grade. I have been an outdoor educator for over a decade, and I am happy to be able to provide this program here in Quilcene. Activities will include games that teach about the outdoors, wildlife tracking, survival skills, campfires, friction fire, stewardship, traditional crafting, shelter building fishing, foraging, as well as leadership, bonding, fun and adventure!

Limited snacks are provided by the Quilcene Food Bank.

I will be sending home registration forms (basically an ongoing field trip permission from).

***If I have a form on file, students are free to show up any Wednesday after school. ***

Please pick up students promptly at 5:00 in front of the school. If you need to pick up a student early, call me and we can make arrangements.

We will be going off campus to outdoor destinations within walking distance. Popular locations include Worthington Park, the Community Center, the Silver Reach Preserve on the Big Quilcene River, the estuary at Quilcene Bay. We also have permission visit private lands with beautiful, forested trails here in Quilcene.

Students should be prepared for outdoor weather and have appropriate clothing. We will be going places that might not have trails so be prepared for bush whacking, pants will protect their legs. We will safely make campfires so don't be surprised if they come back smelling like wood smoke.

Please feel free to call if you have any questions.
