

Quilcene Weekly Update: 11.14.22

Teaching & Learning

[Quilcene's 2022/23 School Improvement Plan \(SIP\)](#)

Each year the Quilcene School Leadership Team works with a team of committed parents, community members, and students to create a School Improvement Plan (SIP). The SIP team takes an in-depth look at where our students are at in several areas, conducts root-cause analysis, creates improvement goals that are specific, measurable, achievable, and time-oriented, creates action steps to achieve the goals, studies where we're at in terms of the goals throughout the year, and adjusts the goals as needed.

The stars of this year's SIP team were the student, parent, and community volunteers!

To view the SIP, use the Hyperlink above or [click here](#).

Academic Recognition

Congratulations to this week's Students of the Week, Eden Carver and Noah Boling. Eden is being recognized as the MS Student of the Week for her impressive work in math and science, and Noah is being recognized for his all around commitment in his performing arts course as well as leadership with last week's Veterans Day. Great job, Rangers!!!

Upcoming...
