COST

- ❖ Insurance: Medicaid/Apple Health and most other insurance policies in Washington cover immunizations as preventative care – usually no deductible.
- ❖ Need help getting health insurance? Call 360.385.2200 ext. 2267 for a free appointment with a Jefferson Healthcare financial helper. For help enrolling in Washington Apple Health or other qualified plans go to www.wahealthplanfinder.org.
- ❖ No Insurance? There is no cost for the actual vaccines through age 18. There may be a visit fee plus a vaccine administration charge. Sliding scale is available at the above Jefferson County clinics offering immunization. Call your clinic for more information.

WHERE TO FIND IMMUNIZATION RECORDS

- ❖ Contact your doctor's office.
- ❖ Each state has an immunization registry to which doctors and clinics upload immunization records. Parents can get copies of their children's records in their state's registry through their doctor's office, through a local health department, or directly, (in Washington) by signing up MyIR.net at www.VA.MyIR.net.
