December 2023

Dear QSD Families,

As our winter break begins, I want to express my appreciation and gratitude to all our Ranger families. Our students and district succeed because of eager learners who show up every day and work to do their best, along with a dedicated staff who assist in getting them to and from school safely, well fed throughout the day, and finally providing a motivating learning environment that enables our students to take charge of their future. Together with our committed educators and staff who have every student's best interest at heart, we have the recipe for success for all children, and I am grateful to one and all.

I'd like to take this opportunity to wish all our families the very best this winter break. Whatever holiday you may celebrate, it's my sincere hope that you enjoy your winter break and find time to relax with family and friends, take a breather from the holiday bustle, and find joy in those you love.

We are so lucky to have the chance to work with your amazing children each day, and to partner with you in their learning and growth.

I look forward to seeing everyone in January!

Happy Holidays & Happy New Year, from my family to yours!

Ron Moag
