

EXTRA FOOD OVER SCHOOL BREAKS

To supplement food needs during 2023-24 school breaks, youth and families can participate in our “build-your-own-food-box” program at one of four YMCA pop-up sites (Brinnon, Quilcene, Port Hadlock, or Port Townsend). Choose the foods you love from the Y’s big selection of nutritious snacks, fresh produce, meal ingredients and so much more.

For Jefferson County youth and families with children (ages 0-18)
